

PETO List of Services

PETO provides a wide range of products and services to our customers. These products and services are:

1. Services from our mobile application.

a) PETOdate

PETOdate is a service featured in PETO mobile application to give you the opportunity to match your pets, meet and befriend other pet owners around you.

b) PETO Hump Game

PETO Hump Game is a simple game where you play as your pet (or a ghost, in case you don't have a pet) and seek to hump or attack other animals and other players. The game provides the use of PAWer Up points to enhance user experience.

c) PAWards

PAWards are awarded to you after you achieve certain things in either PETOdate or PETO Hump Game. These awards might be free, but some might require the aid of our PAWer Up premium product.

d) PAWer Up

PAWer Up is our premium product that you can spend to greatly enhance your experience in PETOdate, PETO Hump Game, PETO Chat, and to achieve your PAWards.

e) PETO Chat

PETO Chat is a service tied to PETOdate, where you can chat with fellow pet owners that you are already friends with.

f) PETO Shop

PETO Shop is an online shopping platform where we offer a wide variety of products for your pets and deliver your purchased products to your door. The platform comes with a service, Shops Around You, that allows you to find and view the information of nearby pet shops.

g) PETO Spa

PETO Spa is one of our pet service provider platforms in which we get groomers to come to your place by scheduled request and groom your pets. The platform also comes with a feature, Groomers Around You, that allows you to find and view the information of nearby pet groomers.

h) PETO Rescue

PETO Rescue is a social service platform dedicated to the rescue, shelter, and adoption of abandoned or endangered pets. The platform also comes with a service, Shelters Around You, that allows you to find and view the information of nearby pet shelters.

- i) **PETO Vets**
PETO Vets is a service platform to find and contact veterinarians around you, and provide 24/7 online veterinarian consulting service.
 - j) **PETO Cage N' Clean**
PETO Cleaning is a service platform where we get pet cage cleaners to come to your place by scheduled request. The platform also comes with a service, Cleaners Around You, that allows you to find and view the information of nearby pet cage cleaners.
 - k) **PETO Hotel**
PETO Hotel is a service platform where we provide boarding and day care services for your pets by scheduled request. The platform also comes with a service, Pet Hotels Around You, that allows you to find and view the information of nearby pet hotels.
 - l) **PETO Bootcamp Training**
PETO Bootcamp Training is a service platform where we provide training services for your pets and you as a pet owner by scheduled request. The platform also comes with a service, Trainers Around You, that allows you to find and view the information of nearby pet trainers.
 - m) **PETO Pay**
PETO Pay is a payment service by PETO where you can top up to pay for your transactions in PETO mobile application and website.
2. **Services from our website.**
All of the aforementioned mobile application services are made available through our website <http://petodate.com>. In addition, our website also provides you information and updates for our products and services. We also provide information about our social services and events dedicated to our social services.
